CHOICES OF SETTLEMENT CLASS MEMBERS

- ***Remain in the Class.*** You can participate in the settlement, without objecting to it. If the Bankruptcy Court finally approves the proposed Settlement Agreement, you are an eligible member of the Class, you properly follow the instructions below as to how to submit the enclosed Reimbursement Claim Form, and the contents of the Reimbursement Claim Form are deemed valid, you will receive the monetary benefits of the settlement. You will then be bound by the terms of the Settlement Agreement, any Final Judgment that is entered, and any release of the Class’s claims against the Released Parties, which includes MLC.
- ***Object to the Class.*** You can remain in the Class and file written objections asking the Bankruptcy Court to not approve the proposed Settlement Agreement. Any such objection must contain the information set forth in the “Your Right to Object and Appear” section below, and it also must be mailed or delivered so as to be received by the deadline set forth in that same section. If the Bankruptcy Court does not approve the proposed Settlement Agreement, the lawsuit would continue against MLC and no Class Member would receive payment under the proposed Settlement Agreement. In such a case, your participation in any recovery that may be obtained from MLC through a trial or later settlement will depend on the results of the lawsuit, or the terms of any later settlement.
- ***Opt Out of the Class.*** You can opt out of the Class and be excluded from participation in the Settlement Agreement, if it is approved. A Class Member who elects to opt out and be excluded from participation in the settlement will receive no settlement payment under the Settlement Agreement, or under any later resolution of the lawsuit if the Settlement Agreement is not approved. A Class Member who opt outs and is excluded from the settlement will not be bound by the Settlement Agreement or any Final Judgment entered in the lawsuit, and will not release any claims against the MLC. **However, as explained below, MLC is presently involved in bankruptcy proceedings. In those proceedings, the Bankruptcy Court, via its Bar Date Order, established a claims bar date of November 30, 2009 at 5:00 EST. Because that date is now expired, any Class Member electing to opt out of the Settlement Agreement will likely be barred from filing proofs of claim in MLC’s bankruptcy, and thus will effectively be barred from pursuing further litigation against MLC relating to the alleged defect in the Parking Brake.** In order to opt out and be excluded from the settlement, a Class Member must complete and submit a request for exclusion, discussed below, and the request for exclusion must be mailed or delivered so as to be received by the deadline set forth in the Opt Out/Exclusion from the Class section below.

If a Class Member wishes, he may hire his own attorney, at his own expense, to represent his interests in connection with the proposed Settlement Agreement, or the lawsuit involving the Class Member’s claims against MLC. If a Class Member remains in the Class but does not hire his own attorney, Class Counsel and the representative plaintiff, Mr. Boyd Bryant (“**Mr. Bryant**”), will represent the interests of the Class Member(s) in this lawsuit. You are advised that Mr. Bryant, David W. Crowe,

and John W. Arnold of Bailey/Crowe & Kugler, LLP, and James C. Wyly and Sean F. Rommel of Wyly-Rommel, PLLC (“**Class Counsel**”) believe the proposed Settlement Agreement is in the best interest of the Class. Accordingly, they intend to support the proposed Settlement Agreement at the scheduled Fairness Hearing. Unless you retain your own attorney, you will not be responsible for any attorneys’ fees, court costs, litigation expenses, or administrative expenses in connection with the Settlement Agreement (or any continuation of the lawsuit if the Settlement Agreement is not approved), except as those amounts may be deducted from the Cash Settlement Fund upon approval of the Settlement Agreement by the Bankruptcy Court (or from any other ultimate recovery if the Settlement Agreement is not approved).

The foregoing options are explained more fully below.

DESCRIPTION OF THE LAWSUIT

On February 4, 2005, Boyd Bryant, on behalf of himself and all others similarly situated (“**Plaintiffs**”) filed an original Class Action Complaint styled *Boyd Bryant, on behalf of himself and all others similarly situated v. General Motors Corporation d/b/a Chevrolet, GMC, Cadillac, Buick and Oldsmobile* in the Circuit Court for Miller County, Arkansas (the “**Miller County Action**”). The Miller County Action is a purported nationwide class action based on an alleged defective Parking Brake in 1999-2002 Chevrolet, GMC, Cadillac pickups and/or SUVs. The Class Action Complaint, as amended, alleges causes of action for: 1) breach of express warranty; 2) breach of the implied warranty of merchantability; 3) violation of the Magnuson-Moss Warranty Act (“**MMWA**”), 15 U.S.C. § 2301 *et seq.*; 4) unjust enrichment; and 5) fraudulent concealment.

After reviewing evidence submitted by Plaintiffs and GM, and oral argument concerning class certification, the Circuit Court for Miller County, Arkansas (the “**Miller County Court**”), on January 11, 2007, certified the Miller County Action as a nationwide class action pursuant to Ark. R. Civ. P. 23. The Miller County Court also appointed Mr. Bryant as the class representative and charged him with “all duties such an appointment entails.” Finally, the Miller County Court appointed counsel from Bailey/Crowe & Kugler, LLP and Wyly-Rommel, PLLC as Class Counsel. GM appealed the class certification order to the Arkansas Supreme Court, which ultimately affirmed the order in June 2008. GM then filed a petition for *writ of certiorari* to the United States Supreme Court. The United States Supreme Court, however, denied the petition in January 2009.

The commencement of chapter 11 cases by GM on June 1, 2009, before the United States Bankruptcy Court for the Southern District of New York (the “**Bankruptcy Court**”), stayed all proceedings related to the Miller County Action. Shortly thereafter, GM filed a motion pursuant to 11 U.S.C. §§ 105, 363(b), (f), (k), and (m), and 365 and Federal Rule of Bankruptcy Procedure 2002, 6004, and 6006 to essentially sell its assets and transfer certain liabilities to Vehicle Acquisition Holdings, LLC (“**VAH**”), which has now changed its name to General Motors Company (“**New GM**”). New GM is a Delaware corporation.

On July 5, 2009, the Bankruptcy Court issued an order approving the asset-sale motion (“**Sale Order**”). Of relevance to this matter, the Sale Order transferred some of GM’s liabilities to New GM, while transferring other liabilities to Motors Liquidation Company (“**MLC**”). Mr. Bryant, on behalf of the Class, has taken the position that liability for all claims or causes of action asserted in the Miller County Action, except for unjust enrichment and fraudulent concealment, has been transferred to New GM under the Sale Order.

On or about July 9, 2009, and over Plaintiffs’ strenuous objection, MLC removed the Miller County Action to the United States Bankruptcy Court for the Western District of Arkansas (the

“Arkansas Bankruptcy Court”). Despite a motion for abstention and remand having been filed, the Arkansas Bankruptcy Court transferred venue of the removed Miller County Action to the Bankruptcy Court. The removed case is docketed in the Court as Adversary No 1:09-ap-508. **Its specific style is as follows: *Boyd Bryant, On Behalf of Himself and All Others Similarly Situated v. Motors Liquidation Company, et al.*; Adversary No. 09-00508 (REG); In the United States Bankruptcy Court for the Southern District of New York.**

On or about September 16, 2009, the Bankruptcy Court entered its Order Pursuant to Section 502(b)(9) of the Bankruptcy Code and Bankruptcy Rule 3003(c)(3) Establishing the Deadline for Filing Proofs of Claim (Including Claims Under Bankruptcy Code Section 503(b)(9) and Procedures Relating Thereto and Approving the Form and Manner of Notice Thereof) (the “**Bar Date Order**”). The Bar Date Order, *inter alia*, set November 30, 2009 at 5:00 EST as the deadline for any person or entity to file a proof of claim against MLC to assert any claim, as defined by Section 101(5) of the Bankruptcy Code, that arose prior to or as of June 1, 2009. Section 101(5) defines “claim” as follows:

The term “claim” means—

(A) right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured, or unsecured; or

(B) right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured, or unsecured.

The Bar Date Order further provides that “any holder of a Claim against MLC that is required but fails to file a Proof of Claim in accordance with this Bar Date Order on or before the applicable Bar Date shall be forever barred, stopped, and enjoined from asserting such Claim against MLC.

In view of this Bar Date deadline, and his status as appointed representative of the Class, Mr. Bryant, on November 27, 2009, filed proofs of claim nos. 58625, 58626, and 58627 asserting MLC’s bankruptcy estate should compensate him and the Class for the defective Parking Brakes based on theories of (i) unjust enrichment and (ii) fraudulent concealment (the “**Claim**”). In addition, Mr. Bryant filed with the Bankruptcy Court a Motion For An Order Allowing Plaintiffs To File a Class Proof of Claim And For The Application of Federal Rule of Bankruptcy Procedure 7023 Pursuant to Federal Rule of Bankruptcy Procedure 9014. That motion remains pending before the Bankruptcy Court and has not yet been ruled upon. MLC has indicated it will oppose this motion.

PRELIMINARY SETTLEMENT CLASS CERTIFICATION

Mr. Bryant, on behalf of himself and the Class, has now agreed with MLC to resolve the “**Settled Claims**,” which are defined in the Settlement Agreement, Paragraph 1.47, as follows:

Settled Claims. “Settled Claims” means the Claim against the Released Parties asserted by the Settlement Class, and any and all manner of claims, demands, rights, liabilities, losses, obligations, duties, damages, costs, debts, expenses, interest, penalties, sanctions, fees, attorneys’ fees, actions, potential actions, causes of action, suits, agreements, judgments, decrees, disputes, and controversies of any kind, nature, or description whatsoever, under federal, state, or foreign common law, statute, or regulation, whether known or unknown, disclosed or undisclosed, accrued or unaccrued, apparent or not apparent, foreseen or unforeseen, matured or not matured, suspected or unsuspected,

liquidated or not liquidated, fixed or contingent, including Unknown Claims, whether direct, indirect, derivative, individual, representative, legal, equitable, or of any other type, or in any other capacity, related to or derived from the Claim, including but not limited to claims for breach of express warranty, breach of the implied warranty of merchantability, violation of the Magnuson-Moss Warranty Act, 15 U.S.C. § 2301 et seq., unjust enrichment, and fraudulent concealment. “Settled Claims” does not mean the Claim, or any portion thereof, that can or may be asserted by Plaintiffs against New GM. It is expressly understood by the Parties that Plaintiffs are settling nothing as to New GM, and reserve all of their rights and abilities to substitute New GM into these proceedings, or into other proceedings, and to litigate against New GM as they may see fit in the Miller County Action, or elsewhere.

On August 9, 2010 the Bankruptcy Court entered an Order of Preliminary Approval preliminarily approving of the Settlement Agreement. In that order and for settlement purposes only, the Bankruptcy Court adopted the prior Class certification in the Miller County Action, and preliminarily determined all relevant Rule 23 settlement factors had been satisfied. The Bankruptcy Court will make a final determination of whether to finally approve of the Settlement Agreement following the Fairness Hearing, which date and time is set forth below.

RELIEF AVAILABLE TO CLASS MEMBERS

Under the Settlement Agreement, Class Members, if they participate and do not opt out of the Class after the Notice of Settlement is disseminated, and the deadline to opt out is expired (“**Participating Class Members**”), may receive the benefit of a twelve million dollar (\$12,000,000) Allowed Claim in MLC’s bankruptcy (“**the Allowed Claim**”). Because the Allowed Claim is not received in the form of cash, it will have to be converted to cash in order to pay Participating Class Members as per the three reimbursement tiers below. Under the Settlement Agreement, the Allowed Claim may be converted to cash by: i) selling, transferring, assigning, and/or otherwise monetizing the Allowed Claim, either individually or through a broker; and/or ii) selling any New GM shares, warrants, options, or other property of MLC as part of any chapter 11 plan in any commercially reasonable manner. Once the Allowed Claim is converted to cash or monetized in this manner, Participating Class Members may obtain the following reimbursement benefit upon submission of proper documentation:

TIER ONE: On a *pro rata* basis, up to the amount of money actually spent by any Participating Class Member to repair the defective Parking Brake within the warranty period (which is for 3 years/36,000 miles, but longer warranty period for Cadillacs). Must be an actual out-of-pocket expense, and proof of expenditure for Parking Brake repairs is required in order to receive this reimbursement.

TIER TWO: On a *pro rata* basis, up to \$150.00 for any Participating Class Member who actually spent money to repair the defective Parking Brake up to two (2) years beyond expiration of the vehicle’s warranty period (which is for 3 years/36,000 miles, but longer warranty period for Cadillacs). Must be an actual out-of-pocket expense, and proof of expenditure for Parking Brake repairs is required in order to receive this reimbursement.

TIER THREE: For any Participating Class Member who actually spent money to repair the defective Parking Brake more than two (2) years beyond the expiration of the vehicle’s limited warranty period (which is for 3 years/36,000 miles, but longer warranty

period for Cadillacs), on a *pro rata* basis, a payment of up to \$75.00, but proof of expenditure for Parking Brake repairs is required in order to receive this reimbursement.

The *pro rata* nature of the reimbursement payments under each of these three tiers is based on the nature of the Net Cash Settlement Fund, whose definition and creation is discussed in Settlement Agreement, Paragraphs 1.29, and 2.5-2.10. The Net Cash Settlement Fund could lack funds sufficient to pay all properly submitted Class Member claims on a 100% basis, especially once deductions from the Cash Settlement Fund (to create the Net Cash Settlement Fund) are made for an initial attorney fee payment, Reimbursable Costs and Expenses, Administration Expenses, an Incentive Award to Bryant, and applicable taxes, if any, all as set forth in the Settlement Agreement. However, if there exists a Final Unclaimed Fund (defined below), then it is possible for some Class Members that have submitted an approved Reimbursement Claim Form to receive additional reimbursement for their Parking Brake repairs, as discussed in Settlement Agreement, Paragraph 4.1. In relevant part, Settlement Agreement, Paragraph 4.1 reads as follows:

(2) in the event a Final Unclaimed Fund exists, members of the Settlement Class that have submitted and had approved by the Claims Administrator a Reimbursement Claim Form will, to the extent possible (but, if necessary, subject to *pro rata* reduction) be made one hundred percent (100%) whole with respect to their claimed out-of-pocket expenditures for Parking Brake repairs; if, after these additional “make whole” payments are made, additional Final Unclaimed Fund monies exist, and if Class Counsel’s initial attorney fee payment was less than the greater of thirty three percent (33%) of the Allowed Claim or \$4,000,000 cash, then Class Counsel shall be entitled to receive additional monies from the Final Unclaimed Fund as an Attorney Fee Award, but never to exceed a total Attorney Fee Award of 33% of the Allowed Claim, or \$4,000,000 cash, whichever is greater.

Under the Settlement Agreement, Paragraph 1.23, the term “**Final Unclaimed Fund**” means the Net Cash Settlement Fund, less the amount of money represented by those Distribution Checks which are endorsed and presented for payment by Participating Class Members within thirty (30) days after the Distribution Date, plus interest, if any, that has accrued on the amount of money in the Final Unclaimed Fund.

Under the Settlement Agreement, Paragraph 2.12, within thirty (30) days after the Distribution Date, the Claims Administrator shall certify to the Parties the amount in the Final Unclaimed Fund, including all funds unused for the payment of claims, plus all interest accrued. The Parties will stipulate in the Debtors’ Motion for Preliminary Approval of Settlement, for Conditional Certification of Settlement Class, to Approve Cash Disbursement and Forms of Class Notice, and to Set Fairness Hearing that they agree to the concept of the Bankruptcy Court vesting in the Circuit Court of Miller County, Arkansas where the Miller County Action was originally filed the exclusive right, ability, and power to issue orders, judgments or decrees effecting the distribution of the Final Unclaimed Fund.

Only those Participating Class Members who properly complete and return the enclosed Reimbursement Claim Form within 30 days after the date on which the Fairness Hearing will be held, (no later than November 26, 2010) and whose Reimbursement Claim Forms are approved by the Claims Administrator, will be eligible for Reimbursement. Reimbursement to Participating Class Members will occur only after the Effective Date. Class Members that elect to opt out or exclude themselves are not eligible for reimbursement.

DISMISSAL AND RELEASE OF ALL CLAIMS

If the proposed Settlement Agreement is ultimately approved by the Bankruptcy Court, the Judgment is entered by the Bankruptcy Court, and the Judgment becomes a Final Judgment, the Settled Claims against MLC will be dismissed with prejudice, and the Settled Claims asserted by the Settlement Class against MLC will be released. Once the dismissal with prejudice and release occur, no Settled Claims may thereafter be asserted by anyone in the Settlement Class against MLC. If the Bankruptcy Court does not approve the Settlement Agreement, the Settlement Agreement will terminate, shall be null and void, and the Miller County Action, as removed and transferred to the Bankruptcy Court, shall remain pending.

HOW WILL I KNOW IF THE SETTLEMENT HAS BEEN APPROVED?

The Bankruptcy Court has scheduled a date to conduct a Fairness Hearing and consider final approval of the Settlement Agreement. On the date or after the Fairness Hearing is conducted, the Bankruptcy Court will issue an order either granting or denying final approval of the Settlement Agreement. If the Bankruptcy Court grants final approval, and if no appeal or post-judgment motion is filed within thirty (30) days after entry of Judgment, the Settlement Agreement will become final and the reimbursement benefits, as described in this notice, will become available to Settlement Class members whose Reimbursement Claim Forms are timely submitted, reviewed, and approved. In the event the Bankruptcy Court grants a final approval, but an appeal is filed, the reimbursement benefits may become available, depending on how the appeal is decided. If you remain in the Settlement Class and wish to know the status of the final approval and the availability of reimbursement, you may call 1-866-258-7416 to listen to a recorded message about the status of the approval.

ATTORNEYS' FEES, COSTS AND INCENTIVE AWARD

As noted, the Bankruptcy Court has preliminarily approved the request by Class Counsel, lawyers from Bailey/Crowe & Kugler, LLP and Wyly-Rommel, PLLC, for an Attorney Fee Award that is described in Paragraph 4.1 of the Settlement Agreement. That paragraph, in relevant part, reads as follows:

Attorneys' Fees. Class Counsel submits they are entitled under their contingency fee agreement, and based on the work performed in this matter, to an Attorney Fee Award in an amount not to exceed thirty three percent (33%) of the Allowed Claim, or \$4,000,000 cash, whichever is greater. Debtors agree to not object to any motion by Class Counsel seeking an Attorney Fee Award of an amount not to exceed the greater of thirty three percent (33%) of the Allowed Claim or \$4,000,000 cash, payable to Class Counsel as described in this Paragraph. Class Counsel will apply to the Bankruptcy Court for an Attorney Fee Award to be paid as follows: (1) thirty three percent (33%) of the Cash Settlement Fund in the sequence described in Paragraph 1.29; (2) in the event a Final Unclaimed Fund exists, members of the Settlement Class that have submitted and had approved by the Claims Administrator a Reimbursement Claim Form will, to the extent possible (but, if necessary, subject to pro rata reduction) be made one hundred percent (100%) whole with respect to their claimed out-of-pocket expenditures for Parking Brake repairs. If, after these additional "make whole" payments are made, additional Final Unclaimed Fund monies exist, and if Class Counsel's initial attorney fee payment was

less than the greater of thirty three percent (33%) of the Allowed Claim or \$4,000,000 cash, then Class Counsel shall be entitled to receive additional monies from the Final Unclaimed Fund as an Attorney Fee Award, but never to exceed a total Attorney Fee Award of 33% of the Allowed Claim, or \$4,000,000 cash, whichever is greater

In addition, the Bankruptcy Court has preliminarily approved requested reimbursed litigation costs to class counsel of two hundred ninety thousand dollars (\$290,000.00), and a requested incentive award for Mr. Bryant of ten thousand dollars (\$10,000.00). Upon final approval, the amount of attorneys' fees, reimbursed litigation costs, and the incentive award will be deducted from the Cash Settlement Fund or the Final Unclaimed Fund in the sequence and manner described above.
