vs.

General Motors Corporation
now New Car or Motors
liquidation co.

Case:
09-50026

Motion for relief from Automatic Stay

To the honorable Judge Gerber
to move the court

I would like relief from the automatic stay
in the 10th circuit court of appeals case # 083236

I made claims to the district court in the state
of Kansas that the debtors lied about the reasons of my
termination of employment ^{for} to the state of Kansas unemployment
office, of which I was able to draw ^{benefits} until the benefits ran out
and I was given a right to sue letter ~~later~~ then 3rd letter
to the district court ~~of~~ of Kansas where the case was dismissed
not because of finding of facts but because the debtors alleged
that I failed to follow a court order which was the basis of
my filing an appeal in the 10th circuit court of appeals
case # 08-3236 that was later stayed after being fully briefed

E.E.O.C case was later closed because there were evidences that I could not submit due to the fact that ~~there~~ after losing my job I became homeless and certain material facts were lost. Even though E.E.O.C ~~gave me a right to sue later~~ closed the case they did give me a right to sue later in which I then went to the district court of the state of Kansas (Kansas city) to file claims. A few of my claims were dismissed in Summary Judgment however one claim was not the case was later dismissed because the debtors ^{falsely} claimed that I failed to obey a court order which was the basis of my filing an appeal in the 10th circuit court of appeals case # 08-3236 of which was later stayed after (5 mos after) being fully briefed (not ruled on) because the debtors filed bankruptcy with this court.

I filed a timely objection to the stay doct# 2248 because of the case pending in the 10th circuit and made the bankruptcy court aware of the stayed proceedings and ~~that~~ ^(discharged) implied that I did not want my claims dissolved in bankruptcy or in the 10th circuit court of appeals and I objected to the stay imposed on the case.

Now the debtors have a confirmed plan discharges my claims and a ruling from the 10th circuit ~~regarding~~ ^{in my} favor regarding the false allegations of my not following a court order and the ~~reason~~ alleged reasons of ~~my~~ the termination of my employment (which were false) made by the debtors would change my status in the Bankruptcy proceedings.

Therefore I respectfully request relief from the Automatic Stay in order for the 10th circuit court to rule on my appeal in its entirety so that the false allegations they got on some of my claims and the false allegations that led to the case being dismissed, ~~and~~ ^{and} the false allegations as to why my employment was terminated can be resolved and any other relief the court deem just and proper.

I also ask the court continue to ~~grant~~ allow me to proceed with this filing and any other in former papers and without payment of fees it is pertaining to the same subject matter as my filings before in docket # ⁵¹⁷⁷ 5178 5179 5180 5181 5183 and I respectfully request the court to forward this filing to all interested parties -
Respectfully Submitted. Lisa J. Cross
