 UNITED STATES BANKRUPTCY JUDGE
 ROOM 621 U.S. Bankruptcy Court
 Southern District of New York
 One Bowling Green
 New York, New York 10004-1408

Your Honor,

I have read the three GM bankruptcy notices which I received via US mail.

As a common stock owner of the General Motors Corporation, I object that no considerations have been given to me by the court for my loss. I consider my GM stock certificates a legal contract that should be repaid @ cost.

Why is someone that worked for GM and get paid for investing time more important than someone like me who gave GM money to continue to have employees. You are breaking this legal contract that I have with GM and I demand that you honor it with a \$ 27,000,000 payment for the cost of the stock in GM.

I hope to learn of your just action.

Regards
 Pete Backus
