Subject: Chapter 11 Case # 09-50026 (Reg.) ECF 10294  
Motors Liquidation Co. F/K/A General Motors Corp. " 10427

This has reference to 259<sup>TH</sup> Omnibus Objection to expunge certain claims regarding enforcement of the Bar Date Orders dated 11-17-2011.

Your Honor, I can honestly state that the first correspondence I received from the Garden City Group, Inc. (3 identical copies), was the court document dated 4-11-2011 whereby it stated Proof of Claims for Equity Interest Holders had to be submitted by 5-30-2011.

I submitted a Proof of Claim to your office on 5-5-2011 before the deadline, stating I was the owner of record of 348 paper shares of General Motors stock.

I do not recall or have found any correspondence to me about "Bar Date Orders."

I wrote to you again on June 6, 2011, objecting to reject to expunge claims for equity interests - with my reasoning for same.

Since I have been following the court documents + instructions I have received since 4-11-2011, with no mention of "Bar Date Orders"; and why since I have been mentioned on court documents since May 2011, does it now take Motors Liquidation Co. to 11-17-2011 (nearly 6 mos.) to raise a complaint when their legal team is trying to drop our equity interests in General Motors held for 51 years - when they themselves took almost 1/2 year to object -- and file 10 pages of paper that could have been summarized in 3 or 4 paragraphs?

I appreciate your time, your Honor, on my behalf.

Respectfully yours,  
Margaret A. O'Neill A/K/A
