The Honorable Robert E. Gerber  
Judge, United States Bankruptcy Court  
Southern District of New York  
Courtroom 621  
One Bowling Green  
New York, NY 10004-1408

Dear Judge Gerber,

GM court date February 09, 2012. I am Peggy L. Jernigan Claimant # 70390 of the 243<sup>rd</sup> Omnibus Objection. The reason I am writing this letter is I want it to be understood I have made every effort to give a **written response** to every letter, court documents and any information I have ever received on my claim. I have only one small claim with this company and I started with GM. I have followed the instructions, sent the estimates, paid towing costs to and from the shop for estimates, written, mailed, and faxed letters including photos.

Please Your Honor Please review my file and accept this as a **“formal written response to the offer”**. We don't understand it. We don't know how much more this will cost me. We don't know any legal laws other than the fact that we have asked for minimal compensation to fix the last car I will live to buy your Honor. The car was paid for. I was sold a defected car.

I am writing to try to understand how GM can boast on the profits they are making and the bonuses paid to executives. The government has been paid off and we the consumer are to suffer forever with no good justice for us? Please Your Honor take us the “little people” who know nothing about law only about what is right. We were brought up to do the right thing and make the right choices. Thank you so very much Sir for your consideration and the time to read my letter.

Respectfully,

  
Peggy L. Jernigan

I am not accepting this offer. The Wilmington Trust has informed me that they have reached the limit of the accounts they will open for MLCGUC Trust. I looked up an address in TX for this company and there is not one. I am sending you a copy of my results. I have emailed them and there have been 6 name changes since I have tried to file my claim. I am drafting a letter to Judge Gerber along with the information I have tried to research. There is no phone, fax or address for me to contact anyone to help me understand or answer any questions. Thank you
