Re: *Motors Liquidation Company Avoidance Action Trust v. JPMorgan Chase Bank, N.A.*, Case No. 09-00504 (MG)

Dear Judge Glenn:

We write on behalf of plaintiff, the Motors Liquidation Company Avoidance Action Trust, with the concurrence of JPMorgan, the Defendants Steering Committee, and the Motors Liquidation Company GUC Trust.

Since we last reported to the Court on February 14, 2019 about the parties' settlement in principle, the parties have continued to work together on the draft settlement agreement to fully resolve both plaintiff's claims and the cross-claims in the above-captioned action. Although the settlement agreement is still in the process of being negotiated and revised, the parties have continued to make progress. When the definitive settlement agreement is finalized, we plan to file a motion seeking the Court's approval of the settlement. We propose to provide a further update to the Court or file the settlement approval motion on or before March 22, 2019.

We are available to answer any questions the Court may have.

Respectfully,

/s/Eric B. Fisher
