To all concerned

I prefer ~~to~~^{no} warrants.

Unless we receive some new stock / and/or compensation or a huge cash voucher from the new G.M. to buy a new G.M. car — we most likely will never buy another G.M. product. We are currently driving our 16th Buick. I expect to buy 2 or 3 possibly 4 new vehicles over the next few years.

I am not satisfied with the changes in the retiree benefits.

Disregard any possible offense to the Bankruptcy Court that I may have made above.

Sincerely,
