Re: General Motors bankruptcy; **Objection as to the Cure Amount**  
GM Vendor No: 002456791

Please note that our Company is not represented by counsel in this matter and therefore, is unable to submit this correspondence electronically. Please accept this written submission.

We have received the Notice of Debtors' Intent to Assume and Assign Certain Executory Contracts, Unexpired Leases of Personal Property, and Unexpired Leases of Nonresidential Real Property and Cure Amounts Related Thereto for the Chapter 11 Case No. 09-50026 (REG); General Motors Corp, et al.

Advancement LLC, doing business as **Contract Professionals of Ohio LLC** is identified as a contract party on the list of Assumable Executory Contracts. The Contract Cure Amount per that list is stated at \$249,323.14 as of June 12, 2009.

We object to that specific dollar amount.

The Assumable Executory Contract List includes nearly all unpaid invoices (contracts) except for the following:

<u>Invoice No</u>	<u>Date</u>	<u>Purchase Order</u>	<u>Amount</u>
GM3068-02A	05/24/2009	TCR20753	\$235.00
GM3055-09	05/24/2009	TCR16792	\$8596.75
GM3059-03	12/28/2008	TCR17563	\$3929.50
GM3052-07	12/28/2008	TKR80028	\$1763.50
GM2743-10-A	10/26/2008	TCR14354	<u>\$2797.00</u>
Total missing from Assumed Executory Contract List			\$17321.75

In total, our records indict a Contract Cure Amount of \$266,644.89 for services rendered prior to the bankruptcy filing date. We have been in contact with the Call Center and with GM's Supplier Disbursements representatives to resolve these missing invoices (contracts). We make this timely objection in order to protect our interest in these outstanding invoices that have not yet been accepted by General Motors.

**Contract Professionals of Ohio LLC** continues to provide General Motors with required labor and consulting services after the bankruptcy filing per the Court's stay order and in anticipation that the Contract Cure Amount will be corrected and all future invoices will be honored.
