Re: Chapter 11 Case No. 09-50026 (REG)
General Motors Corp.
Filing for a Cure Objection solely as to the Cure Amount

To: Office of the Clerk of the Bankruptcy Court
United States Bankruptcy Court
Southern District of New York
One Bowling Green
New York, New York
10004-1408

Accept this letter as our filing to object to the cure amount supplied to us by Schneider Logistics Inc. on behalf of General Motors Service Parts Operations.

Ottaway Motor Express is filing an objection to the cure amount as the amount supplied was incorrect when compared to our outstanding invoice receivables. The cure amount provided was \$308,400.60 and our total outstanding invoice total is \$323,374.33. The difference being invoices that are still be processed and waiting final approval by our Logistics provider.

Moving forward these invoices can be worked and approved so that we then will be able obtain a total number consistent with the outstanding amount at which point we will be able to mutually agree up on the new total amount outstanding.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Shawn McMahon".
