**OBJECTION OF CANADIAN PACIFIC RAILWAY COMPANY TO PROPOSED ASSUMPTION AND ASSIGNMENT OF CERTAIN EXECUTORY CONTRACTS AND CURE AMOUNTS RELATED THERETO**

Canadian Pacific Railway Company, together with its subsidiaries, Soo Line Railroad Company and Delaware and Hudson Railway Company, Inc., all d/b/a Canadian Pacific (collectively, “CP”), by and through its undersigned counsel, hereby submits its Contract Objection (as defined in that certain Sales Procedures Order entered on June 2, 2009 [Docket No.

274])<sup>1</sup> to the Debtors' proposed assumption and assignment of any Assumable Executory Contracts between CP and the Debtors, and in support thereof, respectfully states as follows:

### **Background**

1. On June 1, 2009, the above-captioned debtors and debtors in possession (collectively, the "Debtors") filed voluntary petitions under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Southern District of New York.
2. General Motors Corporation, its Debtor subsidiaries, and Vehicle Acquisition Holdings LLC (the "Purchaser"), a Delaware limited liability company sponsored by the United States Department of Treasury, have entered into a Master Sale and Purchase Agreement which contemplates a set of related transactions for the sale of substantially all of the Debtors' tangible, intangible, and operating assets.
3. On June 1, 2009, the Debtors filed a Motion seeking (a) authority to sell substantially all of the Debtors' assets free and clear of all liens, claims, interests, and encumbrances to the Purchaser, (b) approval of Sales Procedures governing the sale process, (c) authority to assume and assign certain executory contracts and unexpired leases to the Purchaser (d) approval of a certain settlement between the Debtors and their labor unions, and (e) a schedule for the final hearing on the Motion and the relief requested therein.
4. On June 2, 2009, the Court entered the Sales Procedures Order approving the Assumption and Assignment Procedures which, in summary, provide the process and procedures

---

<sup>1</sup> Capitalized terms not defined herein shall have the meanings ascribed to them in this Court's June 2, 2009 Order Pursuant Order Pursuant to 11 U.S.C. §§ 105, 363, and 365 and Fed. R. Bankr. P. 2002, 6004, and 6006 (I) Approving Procedures For Sale Of Debtors' Assets Pursuant to Master Sale and Purchase Agreement with Vehicle Acquisition Holdings LLC, A U.S. Treasury-Sponsored Purchaser; (II) Scheduling Bid Deadline and Sale Hearing Date; (III) Establishing Assumption and Assignment Procedures; and (IV) Fixing Notice Procedures and Approving Form of Notice(the "Sales Procedures Order") [Docket No. 274].

regarding the Debtors' assumption of Assumable Executory Contracts and the assignment of those contracts to the Purchaser as well as the process by which disputes regarding amounts necessary to cure defaults under the Assumable Executory Contracts (the "Cure Costs") are to be resolved.

5. The Sales Procedure Order does not contain a schedule of executory contracts and leases, but rather directs non-Debtor parties to Assumable Executory Contracts to a secure website that purportedly contains summary information regarding the contracts to be assumed and assigned and the amounts necessary to cure any prepetition defaults arising under those contracts.

#### **The Assumption and Assignment Notice**

6. Pursuant to the Sales Procedures, the Debtors were to serve the Assumption and Assignment Notice (in the form attached to the Sales Procedure Order as Exhibit E) on the non-Debtor parties to the Assumable Executory Contracts no later than June 5, 2009. The Assumption and Assignment Notice purportedly contains the Debtors' proposed cure amount relating to the Assumable Executory Contract together with a user ID and password necessary to access the secure website.

7. CP called the Supplier Information Call Center (the "Call Center") established by the Debtors and was informed that an Assumption and Assignment Notice was mailed to CP on June 5, 2009. According to the Call Center, the Assumption and Assignment Notice was mailed to CP's Canadian corporate office at Gulf Canada Square 401-9th Avenue South West, Calgary, Alberta. The Call Center would not provide CP with an electronic copy of the Assumption and Assignment Notice nor would it provide CP with the user ID and password necessary to access the secure website. To date, CP has not received the Assumption and Assignment Notice

purportedly mailed on June 5, 2009.

8. Pursuant to the Assumption and Assignment Procedures, Contract Objections were to be filed within ten (10) days of the date of the Assumption and Assignment Notice, or June 15, 2009. Apparently this deadline applied regardless of whether the non-Debtor party to the Assumable Executory Contract had actually received the Assumption and Assignment Notice prior to the objection deadline.

9. On June 11, 2009 (having still not received the Assumption and Assignment Notice purportedly sent on June 5, 2009) CP once again called the Call Center in an effort to obtain a copy of the Assumption and Assignment Notice. The Call Center informed CP that it would that day re-issue the Assumption and Assignment Notice purportedly sent on June 5, 2009. The Call Center also informed CP that it would have ten (10) days from receipt of the re-issued Assumption and Assignment Notice to file a Contract Objection, which information was later confirmed by Debtors' counsel to be erroneous.

10. Having little to no confidence in the information provided by the Call Center, CP contacted the Debtors' counsel on June 12, 2009 in an effort to obtain a copy the Assumption and Assignment Notice. Debtors' counsel informed CP that it would have to work through the Call Center to obtain a copy of the Assumption and Assignment Notice, but agreed to extend the Contract Objection deadline to June 20, 2009, as reflected in Exhibit A attached hereto. CP requested that Debtors' counsel provide CP with an electronic copy of the Assumption and Assignment Notice, which CP has also yet to receive.

11. On June 16, 2009, CP received notice from the Call Center that the re-issued Assumption and Assignment Notice had been sent to CP on that date. To date, CP has not received the re-issued Assumption and Assignment Notice.

## Objection

12. CP hereby objects to the Motion and the assumption and assignment of CP's Assumable Executory Contract on the basis that CP has not received the Assumption and Assignment Notice and, accordingly, it cannot determine whether the Cure Costs proposed by the Debtors are accurate and correct. While CP does not object to the assumption of the CP Assumable Executory Contract, that agreement cannot be assumed and assigned without a complete cure of all arrearages. "Section 365(b) of the executory contracts section of the [Bankruptcy] Code requires a debtor to cure prepetition defaults as a precondition of assuming an executory contract." In re Stolz, 315 F.3d 80, 86 (2nd Cir. 2002). Without the Assumption and Assignment Notice, CP cannot determine whether the Cure Costs proposed by the Debtors are a complete cure of all arrearages.

13. Notwithstanding the Debtors' failure to provide CP with the Assumption and Assignment Notice as reflected in the schedule attached hereto as Exhibit B, CP's current estimate of the actual Cure Costs owed to CP on account of the CP Assumable Executory Contract is **USD \$2,635,579.06<sup>2</sup>** (the "Actual Cure Costs"), which amount is subject to upward or downward adjustment as reconciliations are processed. Absent full payment of the Actual Cure Costs, the CP Assumable Executory Contract cannot be assumed and assigned. CP is unaware whether the Cure Costs proposed by the Debtors differ from the Actual Cure Costs, but CP fully intends to work with the Debtors to consensually resolve any discrepancies in accordance with the procedures set forth in the Sales Procedures Order.

---

<sup>2</sup> The Actual Cure Costs includes USD \$571,946.69 related to services provided to General Motors of Canada ("GM Canada") by CP pursuant to CP's contract with Schneider Logistics, Inc. ("Schneider"). Schneider has informed CP that because GM Canada did not file for Chapter 11 protection any amounts due CP pursuant to CP's agreement with Schneider would be paid in the ordinary course of business. Neither the Debtors nor Schneider have confirmed that such amounts will be paid in the ordinary course and CP has, out of an abundance of caution, included those amounts in the Actual Cure Costs. Excluding amounts owed to CP by Schneider, the Actual Cure Costs are USD \$2,063,632.40.

14. CP reserves the right to (i) amend, supplement or otherwise modify this Objection and all attachments hereto as necessary or proper and (ii) raise such other and further objections to any proposed assumption and assignment and/or to the Cure Costs with respect to the proposed assumption and assignment of the CP Assumable Executory Contract.

WHEREFORE, CP respectfully requests that the Court require the Debtors to immediately provide CP with a Assumption and Assignment Notice and require the Debtor to pay CP the full payment of the Actual Cure Costs as a condition to the assumption and assignment of the CP Assumable Executory Contract and grant such other and further relief as the Court may deem proper.

Respectfully submitted,

**Subject:** In re General Motors Corp.; 09-50026 (REG); Canadian Pacific Railway Company Notice of Assumption

Mr. Smolinsky,

Following up on our conversation, you have authority to grant, and have agreed to grant my client, Canadian Pacific Railway Company ("CP"), an extension of the June 15, 2009 deadline to file, if necessary, an objection to the Debtors' assumption and assignment of the Debtors' contract with CP through June 20, 2009.

As I explained to you in my message of this morning, CP was informed by the Supplier Information Call Center (the "Call Center") established by the Debtors that an assignment notice was mailed to CP on June 5, 2009, but CP has yet to receive that notice. As further explained, the Call Center today informed CP that it would "re-issue" the assignment notice and expected that the re-issued notice would be mailed out today via standard U.S. mail. The Call Center would not provide CP with the password to access the secure website containing the Debtors' proposed cure amount nor would it provide CP with an electronic copy of the assumption notice. Obviously, without knowing the Debtors' proposed cure amount, CP cannot respond to the Debtors' motion to assume.

While CP hopes to receive the re-issued-assumption notice early next week and, therefore, be in a position to respond to the Debtors' motion before the extended deadline, CP simply cannot respond to the Debtors' motion until it receives that notice and knows the Debtors' proposed cure amount. In the event CP does not timely receive the re-issued-assumption notice, I expect you will grant CP another extension of time. In order to avoid another extension and to rectify the difficulties the Debtors' notice processing agent has had, we would appreciate your sending us an electronic copy of the assumption notice (or putting us in contact with someone who can). Thanks and if any of the foregoing does not comport with your understanding, please let me know.
