In re

General Motors Corp, et al,

Objections

Setback

I hereby interpose my Objections to the  
Master Sale and Purchase Agreement submitted  
for approval by the Court. I am both a  
bondholder and shareholder of General Motors  
Corp. I hold the Securities in my individual  
account, my IRA and my pension account  
which is also an employee benefit account  
for my employees. The agreement is unfair  
in that it prejudices the rights I have as a  
bondholder and it improperly interferes with

the agreements I have with GM as a bondholder  
and improperly favors other parties who are not  
in privity of contract with GM regarding the

bonds. -

I respectfully request that the Court  
deny the application on the grounds  
that as a bondholder I will suffer  
irreparable detriment if the agreement  
is approved.

Respectfully Submitted
