Honorable Robert E. Gerber  
United States Bankruptcy Court  
Southern District New York  
U. S. Customs House  
One Bowling Green  
Sixth Floor  
New York, New York 10004

Dear Judge Gerber:

The notice of GM bankruptcy filing was delivered to my mailbox one day after the "Objection Deadline." This seems consistent with previous events: I was not consulted on loans to GM in my behalf or the subsequent "structured" filing as a result of these government loans.

As a bondholder and tax payer, it seems I have two ways to lose with no hope for recovery of my retirement income from 170 GM Bonds.

I am not a speculative hedge fund credit default swap trader. I am a retired school teacher supporting my 74 year-old husband and three grandchildren ages 8, 10 and 12; both parents having been laid-off this year. And I do understand that my plight is not unique.

Please know that I do have faith in the U. S. Courts and write only to encourage and reiterate my belief in a fair outcome under your unbiased jurisdiction. Thank you for your time.

Sincerely yours,

Sue Triplett
