Re: Recall/dispute with General Motors

Honorable Robert E. Gerber,

My name is Joyce Clark Love. I am writing this letter to seek relief from General Motors concerning my vehicle that Oldsmobile had a recall on. I receive the notice after my car caught fire. I also receive the enclose notice to file for objection on the 22nd of June 2009 in which it states I had until 6/19/09 to file. The original date of the letter Is dated 6/2/09.

Oldsmobile had my correct address so I don't know why this letter took so long to reach me, not less they did not want me to file an objection.

I am only writing because I need my matter to be looked at. I am without transportation due to my car catching fire, if I would have gotten the notice of the recall sooner I could have had the car looked at. I am looking for a replaced vehicle, something to help me get around like I was prior to the car fire.

My car was my transportation to work, church, community activities, and my recovery meetings. I am a person recovering from alcohol and drugs and need to attend my self-help meetings.

Please see the attach reports form the Albany Police and Firefighters. Any help with this matter would be greatly appreciated.

Thanks for your time.

Re: Chrysler Dealership

Dear Mr. President,

I am writing on behalf of a recall that I received in May 2009 from the Chryslers Dealership concerning my 1998 Oldsmobile Intrigue. I was sent a letter stating the recall due to a possibility of my car could catch on fire.

Well Mr. President my car did catch on fire in February 2009. I had driven my car to work and parked it outside of my employment and within 20 minutes it was smoking then engulfed in flames. (Documents/reports enclosed). I contacted Oldsmobile headquarters and sent them the requested documents. I was told I would hear from someone in 10 days. 10 days came and gone no reply from Chrysler I had to call them.

I was told by a representative that due to the bankruptcy nothing would be done with my case at this time.

Mr. President my car was used to get back and forth to work, (drug counselor coordinator of a men's half-way house) to assist in helping my homebound mother who is recovering from a stroke, church, and to my self-help meetings. I am a person who is in recovery celebrating 19 years, 10 months clean and need to continue to go to meetings. By my car having a defect and catching on fire has been a real strain on my daily and community activities.

I am aware that my car might have not been a prize to any one else due to its age, but it was a prize to me. I had a nice stereo system that my husbands purchase for my music enjoying pleasure. Due to the situation with Chrysler does this mean that they do not have to honor my defected vehicle.

I am not looking for money I would just be glad to have my wheels replaced. I know you are a busy man because I see you everyday on TV, but I am to. I just want to know can Chryslers still honor defects of there vehicles while going through bankruptcy.

Any consideration to resolve this matter would be greatly appreciated. I would even be glad to have your old car ☺

Sincerely 

Joyce C. Love

Dear Joyce C Love:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that a defect, which relates to motor vehicle safety, exists in certain 1998 model year Oldsmobile Intrigue vehicles equipped with a 3.8L V6 naturally aspirated engine. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

IMPORTANT

- Your 1998 model year Oldsmobile Intrigue, VIN 1G3WS52K5WF323160, is involved in safety recall 09047.
- Schedule an appointment with your nearest General Motors dealer.
- This service will be performed for you at **no charge**.

Why is your vehicle being recalled?

An underhood fire may be caused by drops of engine oil, from seepage or spillage, being deposited on the exhaust manifold through hard braking. If the manifold is hot enough, the oil may ignite into a small flame and, in some instances, the fire may spread to the plastic spark plug wire channel and beyond. If this occurs, there could be a fire in your vehicle and nearby property.

What will we do?

Your nearest General Motors dealer will replace the spark plug wire channel with new spark plug wire retainers. This service will be performed for you at **no charge**. Because of service scheduling requirements, it is likely that your dealer will need your vehicle longer than the actual service correction time of approximately 15 minutes.

There are two very important precautions you should take before your vehicle is serviced:

- We strongly recommend you not park your vehicle in a garage, car port, or other structure.
- If you notice a burning odor, you should have your GM dealer inspect your vehicle immediately. The dealer will inspect your vehicle without charge.

Dear Oldsmobile,

I receive a copy of the enclosed paperwork concerning my Oldsmobile intrigue. I wish I would have received this information sooner. My car caught fire on 2/4/2009. I had just had an oil change in 12/08. I appreciated the notification but the damage has been done.

The car did have a burning odor but I thought it was the tale pipe or a car going by, while I was driving. I drove my care to work, and parked it, in front of my place of employment. While in the building the residents and staff could smell smoke from outside of the building. Several residents came in to inform me that my car was smoking, a minute later fire started coming out from under the front hood.

My car was completed total by the fire, the whole front engine, and both front tires/wheels caught fire it was a total lost. I did have insurance on the car but just liability.

I loved my intrigue; it ran nice this was my transportation to work, church and other community activities that I am involved in. I had an expensive stereo system in the car and in the trunk there was a mounted 12 CD changer. The car had to be towed to the junk yard.

It has really been a burden without any car. Because of this recall I am hoping that I can be compensated for my car due to the defects that are mention in your recall notification.

Enclose you will find attached to this letter is, a police report, a fire report, copy of my last oil change and the name of my then insurance company.

Any consideration that you may give this request will be greatly appreciated.

Thanks

Joyce E. Love
