Re: General Motors Corp., et al Chapter 11 Case No. 90-50026 (REG)

Dear Sir,

I have no objections to any of the Motions Filed however as a share holder of the General Motors Corporation which has filed for bankruptcy I understand my stock is worthless and I will receive nothing.

I never received a certificate for the stock I purchased and would appreciate receiving a stock certificate for the money I loss. If there is a charge for this service please advise the amount and I will forward a check to whom you direct.

Thank you.

Sincerely,
