**MOTION TO STRIKE**

Now comes Thread Information Design, Inc., Vendor Number 5716-01217366, by and through its counsel and requests that the Court correct a duplication in its records maintained on the contractnotices.com website. Thread Information Design, Inc., is correctly listed as Master Vendor Number 151366002, and its site access is User ID 6kx338kK. The cure amount maintained therein is less than claimed by Thread Information Design, Inc., but in discussions are being held with General Motors personnel and the discrepancy between Thread's records and GM's, has been significantly reduced.

However, July 8, 2009, Thread Information Design, Inc. received another notice from the Court in this case, notifying it that its web access information was User ID 4SCx8f3D, Password 2kqf29x6vC48, and that its Vendor Number was 5716-01217366. The website indicates that there are no contracts and thus no cure amount. Thread maintains that the establishment of this contractnotices.com web posting was in error, and respectfully requests that it be stricken to avoid further confusion.

Respectfully submitted,
