Dear Sirs:

I am writing you this letter in response to the UAW Retiree Settlement Agreement on "Transaction 303".

I am very interested but quite unknowledgeable about these bankruptcy proceedings. If I have anything to gain by writing you this letter in regards to the literature you sent me, please, send me whatever I have coming to me in regards to any benefits that I should receive. I am also set for benefits incurred to me when [2012] year comes.

If this bankruptcy hearing will affect my upcoming monies or benefits, I would like for you or the courts to let me know.

I am currently unemployed, in college and in desperation of a job.

I took the buyout in ~~2006~~ June. Monies have been depleted and divorce had occurred prior to.

Please inform me of any benefits I will or may receive after the aftermath. I went to see a lawyer in Downtown Clayton, Mo. He told me that whatever is going to happen, the Union will take care of it.

I'm writing you this letter to of anything different than what he said at Rosenblum's Law Firm.

Thanks

Samuel Hopton
