Dear Sir:

I am a workingman who has invested in a General Motors Bond. GM has talked about bankruptcy for months, and my broker has told me I should receive notice in the mail. I have been having mail forwarded to me here and watching legal notices in the Wall Street journal; yet I have had no notice as to where to submit my claim for the debt GM owes to me. I hope I have the correct address.

I seek to recover my principal and interest, and wish to be paid in legal tender(not in GM stock). I am not an attorney; it is my understanding that Chapter 11 does not mean GM no longer has to pay me back.

I am sending this petition to your court in hopes of recovering my investment, and trusting you to do what is right under the law. Please keep me informed on what you do to my investment.

I anticipate being in western New York for some time. Please communicate with me by U.S. Mail at the address above.

Respectfully,

Scott L. Sleeper
one GM Bondholder
