FIRST INTERIM APPLICATION OF JONES DAY, SPECIAL COUNSEL TO THE DEBTORS AND DEBTORS-IN-POSSESSION, SEEKING ALLOWANCE OF COMPENSATION FOR PROFESSIONAL SERVICES RENDERED AND FOR REIMBURSEMENT OF ACTUAL AND NECESSARY EXPENSES FOR THE PERIOD FROM JUNE 1, 2009 THROUGH SEPTEMBER 30, 2009

TO THE HONORABLE ROBERT E. GERBER, UNITED STATES BANKRUPTCY JUDGE

Jones Day, special counsel to the debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the "Debtors"), hereby submits this first interim application (the "Application") seeking (a) allowance of compensation for professional services rendered by Jones Day to the Debtors in the amount of \$455,396.65 and (b) reimbursement of expenses and disbursements incurred by Jones Day in the rendition of those professional services on behalf of the Debtors in the amount of \$4,359.53, in each case for the period from June 1, 2009 through September 30, 2009 (the "Compensation Period") (which fee and expense

requests include \$368,543.27 in fees and expenses already paid under the Interim Compensation Order), pursuant to sections 330(a) and 331 of the United States Bankruptcy Code (the "Bankruptcy Code"), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), the United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330, adopted on January 30, 1996 (the "UST Guidelines"), General Order M-151, Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases (the "Local Guidelines") and the Order Pursuant to 11 U.S.C. §§ 105(a) and 331 Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals, entered in these cases on August 7, 2009 (Docket No. 3711) (the "Interim Compensation Order" and, collectively with the UST Guidelines and the Local Guidelines, the "Guidelines"). In support of this Application, Jones Day respectfully represents as follows:

### **Background**

1. On June 1, 2009 (the "Petition Date"), the Debtors filed a motion requesting, *inter alia*, an order pursuant to 11 U.S.C. §§ 105, 363(b), (f) and (m), and 365, authorizing and approving (a) the sale of substantially all of the Debtors' assets pursuant to a proposed Master Sale and Purchase Agreement and related agreements among the Debtors and Vehicle Acquisition Holdings LLC, a purchaser sponsored by the United States Department of the Treasury, free and clear of liens, claims, encumbrances and other interests, including any successor liabilities (the "363 Transaction"); (b) the assumption and assignment of executory contracts and unexpired leases of personal property and of nonresidential real property; and (c) the approval of a related settlement with the United Autoworkers, subject to higher or better offers.

On July 5, 2009, the Court approved the 363 Transaction, and on July 10,
 2009, the 363 Transaction closed.

### **Jurisdiction and Venue**

3. This Court has subject matter jurisdiction to consider this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

### **Relief Requested**

- 4. Pursuant to this Application, Jones Day hereby seeks interim allowance of: (a) compensation for professional services rendered during the Compensation Period in the aggregate amount of \$455,396.65; and (b) reimbursement of expenses and disbursements incurred in connection with such services in the aggregate amount of \$4,359.53. As described in more detail below, \$368,543.27 in fees and expenses have already been paid under the Interim Compensation Order, leaving \$91,212.91 of the requested compensation and reimbursement of expenses which has not yet been paid.
- 5. Prefixed to this Application is the cover sheet required by the UST Guidelines, which includes a schedule setting forth the names of all Jones Day professionals and paraprofessionals who have performed services for which compensation is sought, each such individual's position in the firm and, with respect to attorneys, the year each attorney was first admitted to practice law. In addition, the schedule sets forth for each person (a) the hourly rate during the Compensation Period, (b) the total hours billed for which compensation is sought and (c) the total compensation requested for such hours.
- 6. Attached hereto as **Exhibit A** is a summary of hours billed and fees charged by Jones Day for each project category it used in recording time for these chapter 11 cases. Attached hereto as **Exhibit B** is a summary of different categories of expenses and related

**Exhibit C** are copies of each of the monthly statements (the "Monthly Statements") prepared by Jones Day for the compensation period and provided to the Debtors and certain other parties in accordance with the Interim Compensation Order. Attached hereto as **Exhibit D** is the certification of J. Todd Kennard with respect to this Application pursuant to the Local Guidelines. Attached hereto as **Exhibit E** is a proposed form of order granting this Application.

### Jones Day's Retention and Services Provided

### Jones Day's Retention

7. On July 21, 2009, the Debtors filed their Application Under 11 U.S.C. § 327(e) Authorizing Debtors to Employ and Retain Jones Day as Special Counsel for the Debtors, *Nunc Pro Tunc* to the Petition Date (Docket No. 3282) (the "Retention Application"). On August 3, 2009, the Court entered its Order Pursuant to 11 U.S.C. § 327(e) Authorizing the Employment and Retention of Jones Day as Special Labor Counsel for the Debtors, *Nunc Pro Tunc* to the Petition Date (Docket No. 3663) (the "Retention Order").

### **The Monthly Statements**

- 8. On August 7, 2009, the Court entered the Interim Compensation Order. Pursuant to the Interim Compensation Order, the Court established procedures for the Debtors' payment of interim compensation and reimbursement of expenses of professionals retained in these chapter 11 cases. Pursuant to the Interim Compensation Order, Jones Day has submitted the following Monthly Statements to the Debtors with respect to the Compensation Period and served them on the parties required to be served under the Interim Compensation Order:
  - (a) For June 1, 2009 through June 30, 2009 fees of \$329,936.40 and expenses of \$1,967.51 (the **"June Statement"**);

- (b) For July 1, 2009 through July 31, 2009 fees of \$125,365.25 and expenses of \$2,334.44 (the **"July Statement"**); and
- (c) For August 1, 2009 through August 1, 2009 fees of \$230.00 and expenses of \$57.58 (the **"August Statement"**).<sup>2</sup>

No objection was made to any of the Monthly Statements. On October 1, 2009, Jones Day received a payment of \$265,916.63, representing 80% of the fees and 100% of the expenses included in the June Statement. Also on October 1, 2009, Jones Day received a payment of \$102,626.64, representing 80% of the fees and 100% of the expenses included in the July Statement.<sup>3</sup> Thus the net amount of fees and expenses for which allowance is requested which is currently unpaid is \$91,212.91.

### Description of Services Rendered by Jones Day

9. During the Compensation Period, Jones Day professionals and paraprofessionals assisted the Debtors in the following areas:

### *Litigation Matters (99.45 hours; \$49,907.00)*

10. Jones Day's work on litigation matters on behalf of the Debtors falls into two broad categories. First, Jones Day defended the Debtors' interests in the *Digwamaje v*. *General Motors et al.* class action litigation pending in the United States District Court for the Southern District of New York. The plaintiffs in that action assert claims based on the alleged activities of General Motors and numerous other large corporations in South Africa when the South African government was maintaining its apartheid policies. Because this litigation is continuing against other defendants in the action, Jones Day had to devise time during the

Jones Day has reduced its total request for allowance of compensation by \$135.00 to reflect a reduction in time charges due to an error in the billing rates charged for one attorney in the July Statement.

Jones Day has voluntarily written off all time and expenses incurred on behalf of the Debtors in the month of September 2009.

The \$102,626.64 amount was the net amount received by Jones Day after the Debtors originally sent a larger amount to Jones Day in error and Jones Day returned the excess amount by return wire.

Compensation Period monitoring developments in this litigation and consulting with co-counsel regarding strategy.

11. Second, Jones Day addressed automatic stay issues in the approximately 40 other lawsuits or proceedings in which Jones Day was representing the Debtors prior to the Petition Date. Jones Day personnel filed suggestions of the automatic stay in certain actions and notified opposing counsel concerning the imposition of the automatic stay. Jones Day also responded to inquiries from opposing counsel regarding the stay or possible modifications of the stay in many of these actions. Time in these matters was reported separately in the Monthly Statements by each individual case in which Jones Day was representing the Debtors.

### Antitrust Advice (200.80 hours; \$84,933.75)

- 12. Jones Day professionals spent time during the Compensation Period advising the Debtors concerning antitrust reporting requirements for the 363 Transaction and other related transactions in which the Debtors were involved around the world. Time for this advice was reported under the matters in the Monthly Statements entitled "2009 Transaction," "Project Beam" and "Triple Play Analysis."
- 13. Jones Day professionals also advised the Debtors regarding the antitrust laws' impact on the Debtors' transactions with Delphi in Europe. Time regarding this advice was reported under the matter entitled "Global Steering Business/Delphi."
- 14. Jones Day attorneys also spent limited time advising the Debtors regarding the completion of a restructuring of certain European operations under the matter entitled "Bank Holding Company." Finally, Jones Day advice concerning certain transactions in China was reported under the matters entitled "China Antitrust Counseling" and "R&D Project Center in China and China IP."

### Labor and ERISA Matters (525.00 hours; \$290,336.40)

- 15. The majority of Jones Day's incurred time during the Compensation Period was devoted to advising the Debtors on multiple important labor and ERISA issues. These matters included:
  - <u>401(k)</u> Stable Value Plan Fund Issues. Jones Day professionals assisted the Debtors with matters relating to the administration of their 401(k) plan and dealing with the various issues related posed by the 363 Transaction, these cases and the Delphi cases. Time related to these issues is reported in the Monthly Statements under the matter entitled "401(k) Stable Value Plan Fund Issues."
  - Hourly Pension Plan Stock Contribution. Jones Day professionals advised the Debtors regarding issues posed by the contribution of company stock to the defined benefit pension plan for the Debtors' hourly employees. Time related to these issues is reported under the matter entitled "Hourly Pension Plan Stock Contribution."
  - VEBA Advice. Prior to the Petition Date, Jones Day provided extensive advice to the Debtors regarding the VEBA trust established to fund certain retiree liabilities of the Debtors. During the Compensation Period, Jones Day provided extensive advice concerning the changes to these arrangements that were required as part of the 363 Transaction. Time for these matters is reported under the matter entitled "Plan B."
  - <u>General Labor</u>. Jones Day also provided general labor advice to the Debtors under the matter entitled "General Labor Matters."

#### Retention Matters (93.30 hours; \$30,354.50)

16. During the Compensation Period, Jones Day was also required to incur substantial time and resources in connection with its formal retention by the Debtors, including time and resources devoted to undertaking, investigating and preparing all of the disclosures and certifications required under the Bankruptcy Code and the Bankruptcy Rules, and preparing the related documentation for the Court relating to retention and statements required. In light of the large nature of the Debtors' businesses and the scope of Jones Day's client base, preparations of the disclosures and other filings in these cases required a significant investment of time and

resources and resulted in an 83-page disclosure of relationships with parties in interest in these cases along with the Retention Application and other certifications and disclosures. The time for which compensation is requested has been reduced significantly as a result of Jones Day's voluntary writeoff of substantial time and expense incurred in the preparation of disclosures, certifications and statements required in the proceedings and review of the Monthly Statements in these cases.

### **Expenses Incurred by Jones Day**

- 17. Section 330 of the Bankruptcy Code authorizes "reimbursement for actual, necessary expenses" incurred by professionals employed under section 327 of the Bankruptcy Code. Jones Day seeks reimbursement for expenses incurred in rendering services to the Debtors during the Compensation Period, in the total amount of \$4,359.53.
- 18. In accordance with the requirements of the Bankruptcy Code, the Bankruptcy Rules and the Guidelines, Jones Day maintains the following policies with respect to expenses for which reimbursement is sought herein:
  - (a) No amortization of the cost of any investment, equipment or capital outlay is included in the expenses. In addition, for those items or services that Jones Day purchased or contracted from a third party (such as outside copy services), Jones Day seeks reimbursement only for the exact amount billed to Jones Day by the third party vendor and paid by Jones Day to the third party vendor.
  - (b) Photocopying by Jones Day was charged at 7 cents per page for black and white copies and \$1.00 per page for color copies. To the extent practicable, Jones Day utilized less expensive outside copying services.
  - (c) Telecopying by Jones Day was charged to its clients at the cost of the long distance call required to send the facsimile. No charge was imposed for incoming facsimiles.
  - (d) Computer assisted research was billed on a per-search and/or per-minute basis, depending upon the provider.

### **Adjustments to Fees and Expenses**

19. Consistent with its own internal policies and to comply with the "reasonableness" requirements of section 330 of the Bankruptcy Code, Jones Day has reviewed its monthly service descriptions and expense detail and has determined that certain fees and expenses should not be charged to the Debtors. This Application reflects these adjustments. The adjustments made by Jones Day result from, among other things: (a) the reduction (or elimination) of fees where the time charged for the particular services exceeded the amount of time that, in Jones Day's estimation, it should have taken the lawyer or the paraprofessional to render the services; (b) the deletion of charges for duplicative or nonproductive services; and (c) other adjustments considered appropriate by Jones Day or required by applicable rules. In total, for the Compensation Period, Jones Day has voluntarily written off time charges aggregating \$16,067.00 and \$95.87 in expenses.

### The Requested Compensation Should Be Allowed

- 20. Section 330(a)(1) of the Bankruptcy Code provides that the Court may award a professional person employed under section 327 or 1103 of the Bankruptcy Code:
  - (A) reasonable compensation for actual, necessary services rendered by the trustee, examiner, ombudsman, professional person, or attorney and by any paraprofessional person employed by any such person; and
  - (B) reimbursement for actual, necessary expenses.
- 11 U.S.C. § 330(a)(1). Section 330(a)(3) further provides the following standards for the Court's review of a fee application:

In determining the amount of reasonable compensation to be awarded . . . the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including--

(A) the time spent on such services;

- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (F) whether the compensation is reasonable, based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

- 21. Jones Day respectfully submits that it has satisfied the requirements for the allowance of the compensation and reimbursement of expenses sought herein. The services described above, at the time they were provided, were necessary and beneficial to the administration of the Debtors' chapter 11 cases. Jones Day's services were performed in a timely manner, commensurate with the complexity of the issues facing the Debtors and the nature and importance of the problems, issues and tasks. Furthermore, the compensation sought by Jones Day is reasonable because it is based on the customary compensation charged by comparably skilled practitioners outside of bankruptcy. Accordingly, approval of the compensation sought herein is warranted.
- 22. No agreement or understanding exists between Jones Day and any third person for the sharing of compensation, except as allowed by section 504(b) of the Bankruptcy Code and Bankruptcy Rule 2016 with respect to the sharing of compensation between and among partners of Jones Day. As disclosed in the Retention Application and approved by the Retention Order, certain payments for local counsel to the Debtors are routed through Jones Day

and disclosed as "Consultants Fees" on the Monthly Statements. All of the services for which compensation is sought in this Application were rendered at the request of, and solely on behalf of, the Debtors, and not at the request of, or on behalf of, any other person or entity.

23. Jones Day has received no objections to any of the Monthly Statements from the Debtors or any other party under the Interim Compensation Order or otherwise.

### **Waiver of Memorandum of Law**

24. This Application does not raise any novel issues of law. Accordingly, Jones Day respectfully requests that the Court waive the requirement contained in Rule 9013-1(b) of the Local Bankruptcy Rules for the Southern District of New York that a separate memorandum of law be submitted.

#### **Notice**

25. Notice of this Application and its exhibits will be given to (a) the Debtors; (b) counsel to the Debtors; (c) counsel to the Official Committee of Unsecured Creditors; (d) the U.S. Trustee; and (e) the Master Service List established under the Case Management Order in these cases. Jones Day respectfully submits that no other or further notice is required.

WHEREFORE, Jones Day respectfully requests that the Court enter an order, substantially in the form attached hereto as **Exhibit E**: (a) granting this Application; (b) allowing on an interim basis compensation in the amount of \$455,396.65; (c) allowing on an interim basis reimbursement of expenses in the amount of \$4,359.53 incurred in connection with Jones Day's services during the Compensation Period; (d) authorizing and directing the Debtors to pay to Jones Day any and all unpaid, invoiced amounts for the Compensation Period, which currently is \$91,212.91; and (e) granting to Jones Day such other and further relief as the Court may deem proper.
