subsidiary of the Debtors. Further, on July 8, 2010, Carrianne Basler was appointed to serve as an officer of the Debtors. The Retention Order requires APS to file monthly staffing reports with the Court with copies to the United States Trustee and all official committees. The staffing report must include the names of the individuals assigned³ to be members of the Temporary Staff and any updates to the then-current list of officer and director positions held by members of the Temporary Staff. All staffing⁴ is subject to review by the Court in the event an objection is filed.

3. The attached Exhibit A includes a list of the members of the Temporary Staff that provided services to the Debtors during this Staffing Period, along with their corresponding position titles within APS and their APS billing rates. Exhibit A also includes any updates to the list of members of the Temporary Staff that have been designated to officer or director positions, along with their corresponding position titles and their APS billing rates.

³ Based on the needs of the Debtors, members of the Temporary Staff may work less than full time on their assignments. Depending on workload, schedules or specific assignments during a monthly billing cycle, some members of the Temporary Staff may not require any billable hours for that period and, therefore, would be omitted from that period's Exhibit A.

⁴ APS may determine, from time to time, to augment its professional staff with independent contractors (each an "*Independent Contractor*") in these Chapter 11 Cases. APS' standard practice is to charge for an Independent Contractor's services at the rate equal to the compensation provided by APS to such Independent Contractor. APS did not bill for Independent Contractors during this Staffing Period.
