**LIMITED OBJECTION OF TITANX ENGINE COOLING, INC.  
TO THE NOTICE OF (I) DEBTORS' INTENT TO ASSUME AND  
ASSIGN CERTAIN EXECUTORY CONTRACTS, UNEXPIRED LEASES  
OF PERSONAL PROPERTY AND UNEXPIRED LEASES  
OF NONRESIDENTIAL REAL PROPERTY AND  
(II) CURE AMOUNTS RELATED THERETO**

TitanX Engine Cooling, Inc. ("TitanX"), by its undersigned counsel, hereby objects on a limited basis ("Objection") to the Notice of (I) Debtors' Intent to Assume and Assign Certain Executory Contracts, Unexpired Leases of Personal Property and Unexpired Leases of Nonresidential Real Property and (II) Cure Amounts Related Thereto dated June 5, 2009

(“Notice”). TitanX objects to the Notice because it does not accurately state the Cure Amount<sup>1</sup> due to TitanX. In further support of its Objection, TitanX respectfully states as follows:

**Background**

1. On June 1, 2009 (“Petition Date”), the Debtors filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (“Bankruptcy Code”).

2. On June 1, 2009, the Debtors also filed a motion seeking an order approving bidding procedures to sell substantially all of its assets, which included a procedure for the Debtors’ assumption and assignment of executory contracts (Docket No. 92) (“Procedures Motion”).

3. On June 2, 2009, the Court granted the Procedures Motion with respect to the sale procedures, including the procedure for assuming and assigning contracts to Vehicle Acquisition Holdings LLC (“VAH”) or the ultimate purchaser of the Debtors’ assets (Docket No. 274) (“Procedures Order”), which provided for sending a notice advising a contract counterparty that it is party to an Assumable Executory Contract and the Cure Amount related thereto.

4. On June 9, 2009, TitanX received the Notice dated June 5, 2009 provided for in the Procedures Order. Pursuant to the Notice, parties have ten days from the date of the Notice to object to the assumption and assignment of any Assumable Executory Contract or to the Cure Amount proposed to be paid with respect thereto.

---

<sup>1</sup> Capitalized terms not expressly defined herein have the meaning ascribed to them in the Notice.

5. Attached to the Notice is a user identification number and password to be used by TitanX on the specified website (“Web Site”) to view which contract has been designated an Assumable Executory Contract by the Debtors and the Cure Amount with respect to such contract.

6. Pursuant to the Web Site, the following are Assumable Executory Contracts to which TitanX is a counterparty: 2DFD0000, 2DFD0001, and 2DFD0002 (“TitanX Contracts”). The Debtors allege that there is no Cure Amount associated with the TitanX Contracts and have supplied the schedule annexed as **Exhibit A** in support of their allegation.

7. TitanX asserts it is owed \$240,000.00 in Cure Amount and the detail substantiating TitanX’s claim is attached as **Exhibit B**.

### **Objections**

8. TitanX objects to the Notice on the following grounds:

A. The TitanX Contracts cannot be assumed without concurrent cure of all arrearages. “Section 365(b) of the executory contracts section of the Bankruptcy Code requires a debtor to cure pre-petition defaults as a precondition of assuming an executory contract.” In re Stoltz, 315 F.3d 80, 86 (2nd Cir. 2002). The pre-petition Cure Amount alleged by the Debtors to be owed to TitanX pursuant to the TitanX Contracts is understated by \$240,000.00. The Debtors are missing one invoice (invoice #00004959) in the amount of \$240,000.00 dated April 28, 2009 from their calculus of the Cure Amount.

B. The TitanX Contracts cannot be assumed or assigned without an adequate showing of future performance. 11 U.S.C. § 365(b)(1); In re Luce Industries, Inc., 14 B.R. 529 (S.D.N.Y. 1981) (court erred in allowing debtor to assume agreement without assurance by debtor that arrearages would be paid and that debtor could

perform). Although adequate assurance of future performance may have been established in the Procedures Motion and other pleadings filed in this case as it relates to VAH, the proposed assignee may not yet even be known, much less is its ability to perform established.

9. TitanX reserves its right to amend this Objection to include any additional facts as may be determined by its further investigation of the Notice and TitanX Contracts.

10. Any reply to this Objection should be served upon Phillips Lytle LLP, 3400 HSBC Center, Buffalo, New York 14203, Attn: Angela Z. Miller, Esq.

#### **Memorandum of Law**

11. Because the legal points and authorities upon which TitanX relies for purposes of this Objection are incorporated into the Objection, TitanX respectfully requests that the Court deem satisfied or, alternatively, waive any requirement of the filing of a separate memorandum of law.

#### **Reservation of Rights**

12. TitanX reserves the right (a) to amend, supplement, or otherwise modify this Objection and all attachments and exhibits hereto as necessary or proper; and (b) to raise such other and further objections to any proposed assumption and assignment, and/or the Cure Amount with respect to the proposed assumption and assignment of the TitanX Contracts.

**Conclusion**

WHEREFORE, TitanX respectfully requests that the Court enter an Order (a) sustaining this Objection in its entirety and overruling the Notice to the extent it requests relief inconsistent with this Objection, and (b) providing TitanX with such other and further relief as is appropriate.
